Have ideas on how to help
Home Forward achieve our mission?

Give back & join the RAC!

Home Forward is recruiting new members to the Resident Advisory Committee (RAC). The committee meets monthly to discuss policies and provide advice to Home Forward decision makers. This volunteer role lasts for two-years and requires roughly five hours a month attending meetings and engaging in conversation.

We Need You!

Each year, Home Forward recruits new RAC members from a diversity of backgrounds to closely mirror the populations we serve. To better balance our membership, the focus of our outreach this year is to encourage applicants who represent:

- ⇒ younger adults
- ⇒ people from communities of color
- ⇒ people experiencing disabilities
- ⇒ immigrant households
- ⇒ men, or gender non-conforming individuals
