

Home Forward's **Resident Advisory Committee (RAC)** is recruiting new members for two-year terms to advise the agency's Board of Commissioners.

Please consider volunteering your time to help!

We Need You

Each year, Home Forward recruits new RAC members from a diversity of backgrounds to closely mirror the populations we serve. To better balance our current membership, the focus of our outreach this year is to encourage applicants who represent:

- younger adults,
- people from communities of color,
- people experiencing disabilities,
- immigrant households,
- men, or gender non-conforming individuals, and
- parents with young children (child care is provided during meetings.)

To request an application call 503 802-8508, e-mail RAC@homeforward.org or visit www.homeforward.org/residents/resident-advisory-committee

Please turn in your application by Friday, September 1, 2017.

Interviews for potential members will be held in September and newly appointed committee members will begin their terms in early October.

Apply Today

Members of the Resident Advisory Committee (RAC) live in Home Forward properties and/or participate in Home Forward's Section 8 program. The committee meets monthly (10 times per year) to discuss policies and provide advice Home Forward decision makers.
